About Tulsi

Throughout India Tulsi (also known as Holy Basil) is considered "The Queen of Herbs" and is revered as a sacred plant infused with healing powers. Traditionally grown in an earthen pot in every family home or garden, Tulsi's remarkable life-enhancing qualities, repeatedly noted in ancient Indian scriptures dating back over 5,000 years, are now here for you to fully enjoy. Wishing you good health and happiness. Children also love our Tulsi!

DIRECTIONS FOR BEST RESULTS:

1 Put one infusion bag in a cup
2 Pour just boiled water in a cup
3 Keep infusion bag in a cup for 10 mins (100°C, 10 mins)
