(IT) Detersione e morbidezza immediata. Uno shampoo ultra-sensoriale che unisce detersione ed effetto condizionante immediato. In un solo attimo i capelli ritrovano setosità, elasticità e scorrevolezza. La formula a "morbidezza rapida" dona lucentezza naturale e in soli 30 secondi di massaggio facilita il brushing, eliminando subito ruvidità e nodi superficiali, rinforzando la fibra capillare grazie al BOOST PEPTIDE TECHNOLOGY. USO: applicare sui capelli umidi. Massaggiare per ottenere una morbida schiuma e risciacquare.
(EN) Immediate cleanliness and softness. An ultra-sensory shampoo that combines cleansing properties and an immediate conditioning effect. In an instant, hair regains silkiness, elasticity and smoothness. Its 'rapid softness' formula gives natural shine in only 30 seconds of massage, makes brushing easier, and removes roughness and surface knots immediately, strengthening the hair fibre thanks to the BOOST PEPTIDE TECHNOLOGY. USE: apply to damp hair. Massage until a soft lather forms, then rinse.
(FR) SHAMPOOING SOUPLESSE ÉCLAIR Lavage et souplesse immédiate. Appliquer sur les cheveux humides. Masser pour obtenir une mousse onctueuse et rincer.
(DE) SHAMPOO FÜR SOFORTIGE Weichheit unmittelbare reinigung und weichheit. Auf das feuchte Haar auftragen. Einmassieren, um einen weichen Schaum zu erhalten, und ausspülen.
(ES) CHAMPÚ SUAVIDAD INSTANTÁNEA Limpieza y suavidad inmediata. Aplicar sobre el cabello humedo. Masajear hasta obtener una espuma suave y aclarar.
