

Medi-Peel Peptide 9 Volume&Tension Tox Cream Pro

Purified Water, Butylene Glycol, Caprylic/Capric Triglyceride, Cetyl Ethyl Hexanoate, Glycerin, Cetearyl Alcohol, Glyceryl Stearate, Niacinamide, Stearic Acid, Dimethicone, 1,2-Hexanediol, Sorbitan Stearate, Sorbitan Wax, PEG.

-100 Stearate, arginine, carbomer, dipropylene glycol, hydroxy, acetophenone, panthenol, caprylyl glycol, dipotassium glycyrrhizate, hydrogenated lecithin, adenosine, disodium EDTA, neem flower extract, ectoine, hydrogenated leaf, ca. , propylene glycol, edelweiss callus culture extract, turmeric root extract, coral horse extract, betaine, sodium hyaluronate, centella asiatica extract, fructan, pentylene glycol, oleander fruit extract, green tea extract, glycine, extract, matricaria flower extract, serine, glutamic acid , hydroxypropyltrimonium hyaluronate, caviar extract, Okamura horseradish extract, ginkgo leaf extract, Spanish licorice root extract, hydrolyzed elastin, royal jelly extract, aspartic acid, faith leaf extract, lavender flower extract, alanine, lysine, tyrosine, phenylalanine, proline, threonine , valine, isoleucine, histidine, cysteine, methionine, collagen, collagen amino acid, collagen extract, ethylhexylglycerol, gold level of sodium acetylation. Aluronate, Water Soluble Collagen, Copper Tripeptide-1 (60 ppm), Tripeptide-1 (60 ppm), Lilac Root Extract, Acetyl Hexapeptide-8 (30 ppm), Acetyl Octapeptide-9 (30 ppm) parts per billion, nonapeptide-1 (30 parts per billion), palmitoylpentapeptide-4 (30 parts per billion), hyaluronic acid, palmitoyltetrapeptide-7 (15 parts per billion), (15 parts per billion), hydrolyzed sodium hyaluronate, hyaluronate sodium crosspolymer, tocopherol, potassium hyaluronate, astaxanthin, flavoring

Medi-Peel Peptide 9 Volume Lif-Tox Eye Cream

Purified water, cetylolethylhexanoate, sage extract, glycerin, niacinamide, dipropylene glycol, polyglyceryl-3-methylglucose distearate, cyclohexasiloxane, cetearyl alcohol, stearic acid, 1,2-hexanediol, olive oil, . , salmon roe extract, butylene glycol, squid extract, carnosine, hydrolyzed soy protein, acetylhexapeptide-8 (10 parts per billion), copper tripeptide-1 (10 parts per billion), palmitoyl pentapeptide-4 (10 parts per 11 (10 parts per billion).), palmitoyl tripeptide-1 (10 parts per billion), hexapeptide-9 (5 parts per billion), nonapeptide-1 (1 part per billion), palmitoyl tetrapeptide-7 (50 parts per billion), palmitoyl tripeptide-5 (11 parts per billion)), Edelweiss Callus Culture Extract, Green Tea Extract, Centella Asiatica Extract, Spanish Licorice Root Extract, Gold Extract, Japanese Worm Root Extract, Chamomile Flower Extract, Rosemary Leaf Extract, Lactobacillus/Soybean Extract, White Bark Extract and . oregano leaf extract, cypress leaf extract, purslane extract, hydrogenae, polyisobutene Tid, Zimo root extract, hydroxypropyltrimonium hyaluronate, acetylated sodium hyaluronate, hydrolyzed hyaluronic acid, hyaluronic acid, polymer, hydrolyzed sodium hyaluronate, potassium hyaluronate, hydrolyzed collagen, royal jelly extract, argan kernel oil, squalane, ceramide NP, tocopheryl acetate, adenosine, disodium EDTA, beta-phosphorus, sodium hyaluronate, carbomer, ethylhexylglycerol, glyceryl stearate, tromethamine, sodium polyacrylate, ethylhexyl, hydroxyacetophenone, dipotassium glycyrrhizate, flavor

Medi-Peel Peptide 9 Volume Bio Tox Ampoule Pro

Purified water, glycerin, butylene glycol, niacinamide, sodium lactate, 1,2-hexanediol, gellan gum, hydrogenated castor oil PEG-60, ethylhexylglycerin, adenosine, disodium EDTA, dusong fruit extract, extra. . , aspartic acid, leucine, white rice flower extract, astaxanthin, hydrolyzed hyaluronic acid, alanine, lysine, arinine, tyrosine, phenylalanine, valine, threonine, threonine, proline yltetrapeptide-7 (100 parts per billion), hydrolyzed sodium hyaluronate, hydrolyzed collagen , acetyl octapeptide-3 (100 ppm), tripeptide-1 (40 ppm), palmitoyl tripeptide-1 (40 ppm), 4 40 ppm).), copper tripeptide-1 (40 parts per billion), acetyl hexapeptide-8 (40 parts per billion), sodium benzoate, acetylated sodium hyaluronate, hexapeptide-9 (20 parts per billion), hydroxypropyl hyaluronate, peptide -1 (4 parts per billion billion), pentylene glycol, lilac root extract, potassium hyaluronate, tocopherol, ethanol, flavoring.

Medi-Peel Peptide 9 Volume Bio Tox Toner Pro

Purified water, glycerin, butylene glycol, niacinamide, betaine, hydroxyacetophenone, hydrogenated castor oil PEG-60, arginine, carbomer, ethylhexylglycerin, sodium polyacrylate, adenosine, ethanol, sodium EDTA dye, leaf, ovine. collagen, hydrolyzed elastin, centella asiatica extract, gold extract, Japanese knotweed root extract, 1,2-hexanediol, propanediol, Spanish licorice root extract, green tea extract, sodium hyaluronate crosspolymer, rosemary leaf extract, fructan, fructan, , hydrolyzed glycosaminoglycan, glycine, caprylic glycol, polysorbate 80, mud mushroom extract, serine, glutamic acid, ectoine, hydrogenated polyisobutene, benzyl glycol, aspartic acid, leucine, white rice flower extract, astaxanthin, hydrol, hyaluronic acid, alanine, lysine, tyrosine, phenylalanine, valine, threonine, proline, isoleucine, histidine, methionine, cysteine, palmitoyltetrapeptide-7 (100 parts per billion), hydrolyzed sodium hyaluronic acid. Nat, acetyl octapeptide-3 (100 parts , palmitoyl tripeptide-1 (40 parts per billion), palmitoyl pentapeptide-4 (40 parts per billion), copper tripeptide-1 (40 parts per billion) parts per billion), acetyl hexapeptide-8 (40 parts per billion), sodium benzohyaluronate, hexapeptide-9 (20 parts per billion), Lactobacillus enzyme, hydroxypropyltrimmonium hyaluronate, hyaluronic acid, dimethylsilanol hyaluronate, nonapeptide-1 (4 parts per billion), pentylene glycol, root extract.

MEDI-PEEL KIT DE TESTARE PEPTIDEI 9 VOLUME BIO TOX

Acest kit luxos combină puterea peptidelor, adenozei și a ingredientelor active exclusive pentru a vă transforma pielea. Compoziția setului: Peptide 9 Volume Bio Tox Toner Pro (20 ml): Peptide 9 Volume Bio Tox Ampoule Pro Facial Serum (10 ml): Peptide 9 Volume Lif Tox Cremă de ochi (4 ml): Peptide 9 Volume & Tension Tox Cream Pro (10 g): **MOD DE UTILIZARE:** Mai întâi, aplicați tonerul pe față. Începeți să utilizați serul de față. Pentru pielea delicată din jurul ochilor, utilizați crema pentru ochi. În etapa finală de îngrijire, utilizați o cremă de față **PRECAUȚIUNI:** Numai pentru uz extern. Întrerupeți utilizarea dacă apare iritația. A nu se lăsa la îndemâna copiilor. Evitați contactul cu ochii **Valabilitate, Cantitate, Ingrediente și Lot:** vezi pe ambalaj. FABRICAT DE: Skinidea Co.,Ltd. Tower B-1112, 167, Songpa-daero, Songpa-gu, Seoul, Republic of Korea. EU RP NEMO GmbH Mergenthalerallee 77 65760 Eschborn Germany. DISTRIBUTOR: Wow Skin Alivos SRL str. Silozului nr 2, Aninoasa, jud Dâmbovița, 137007 contact la info@wowskin.ro sau la +40761653656.
