

Serum z aktivnimi sestavinami proti prhljaju pomaga zmanjševati nastajanje prhljaja in pomirja lasišče.

Aktivne sestavine: rožmarinovo olje, čajevac, evkaliptus, sladki koren, salicilna kislina in pirokton olamin.

Navodila za uporabo: Nanesite serum na lasišče in ga nežno vmasirajte. Izpiranje ni potrebno. Za optimalni učinek priporočamo uporabo seruma v kombinaciji z Naturavit šamponom proti prhljaju ter občasno uporabo pilinga za lasišče.

Pogostost uporabe: Pri težavah s prhljajem: vsak dan, 90 zaporednih dni. Preventivno: 2-3-krat tedensko.

Anti-dandruff active serum helps reduce dandruff formation and soothes the scalp.

Active ingredients: rosemary oil, tea tree, eucalyptus, licorice root, salicylic acid and piroctone olamine.

Directions for use: Apply the serum to the scalp and gently massage. Rinsing is not required. For optimal results, we recommend using the serum in combination with Naturavit anti-dandruff shampoo and occasional use of Peeling shampoo Naturavit.

Frequency of use: In case of dandruff: daily, for 90 consecutive days. Preventive care: 2-3 times per week.
