REPAIRED SKIN YOUNG SKIN

EN **Lactourea** products are formulated with **Urea ProLactiC[10]**, an exclusive complex that boosts collagen and elastin synthesis**** to keep skin repaired and young.

Its formula, specially developed for **dry and extra-dry skin**, intensively hydrates the skin from within while keeping it repaired. Repaired skin, young skin.

RO Produsele **Lactourea** sunt formulate cu **Urea ProlactiC[10]**, un complex exclusiv care stimulează sinteza colagenului și a elastinei**** pentru a menține pielea reparată și tânără.

Formula sa, special dezvoltată pentru **pielea uscată și foarte uscată**, hidratează intens pielea din interior, menținând-o în același timp reparată. Piele reparată, piele tânără.

HU A **Lactourea** termékek **Urea ProLactiC[10]**-ot tartalmaznak, egy exkluzív komplexet, amely fokozza a kollagén és elasztin**** szintézisét, hogy a bőr regenerált és fiatal maradjon.

Kifejezetten **száraz és rendkívül száraz bőrre** kifejlesztett formulája belülről kifelé intenzíven hidratálja a bőrt, miközben megőrzi annak regeneráltságát. Regenerált bőr, fiatal bőr.

HR Proizvodi **Lactourea** formulirani su s **Urea ProLactiC[10]**, ekskluzivnim kompleksom koji potiče sintezu kolagena i elastina**** kako bi koža ostala obnovljena i mlada.

Njegova formula, posebno razvijena za **suhu i vrlo suhu kožu**, intenzivno hidratizira kožu iznutra dok je istovremeno održava obnovljenom. Obnovljena koža, mlada koža.
