NEW FORMULA***

lactourea[10]

REPAIRED SKIN YOUNG SKIN

firming

EN Lactourea **Firming** products are formulated with **Urea ProLactiC[10] Collagen**, an exclusive complex that boosts collagen and elastin synthesis**** to keep skin repaired and young.

Its formula, specially developed for **dry and extra dry skin**, intensively moisturises the skin from within while to keeping it repaired and firm. Repaired skin, young skin.

RO Produsele Lactourea **Firming** sunt formulate cu **Urea ProLactiC[10] Colagen**, un complex exclusiv care stimulează sinteza colagenului și a elastinei**** pentru a menține pielea reparată și tânără.

Formula sa, special concepută pentru **pielea uscată și foarte uscată**, hidratează intens pielea din interior, menținând-o reparată și fermă. Piele reparată, piele tânără.

HU A Lactourea **Firming** termékek **Urea ProLactiC[10] Kollagént**, egy exkluzív komplexet tartalmaznak, amely fokozza a kollagén és elasztin**** szintézisét, hogy a bőr hidratáltabb és fiatalosabb maradjon.

Kifejezetten **száraz és rendkívül száraz bőrre** kifejlesztett formulája intenzíven hidratálja a bőrt, miközben megőrzi annak regeneráltságát és feszességét. Regenerált bőr, fiatal bőr.

HR Proizvodi Lactourea **Firming** formulirani su s **Urea ProLactiC[10] Collagen**, ekskluzivnim kompleksom koji potiče sintezu kolagena i elastina**** kako bi koža ostala obnovljena i mlada.

Njegova formula, posebno razvijena za **suhu i vrlo suhu kožu**, intenzivno hidratizira kožu iznutra dok je istovremeno održava obnovljenom i čvrstom. Obnovljena koža, mlada koža.
